Sue,  
We survived U.S. History  
and Advanced Comp!! I thought  
I'd never make it. I hope I'll  
see you next year. Have fun  
this summer and stay out of  
trouble! Even though I didn't  
like Adv. Comp. I actually  
learned something!!

During the summer of 1977, a turn-over in administration occurred at Mission Viejo High School, and in the position of Activities Director, a new face appeared. Mr. Tim Sullivan, a Biology teacher for the past seven years, took over the very challenging role. Working with administrators, faculty members, and students, Mr. Sullivan displayed a true devotion to his new job and compassion for the people he worked with. Mixing hard work and late nights with fun and laughs, Mr. Sullivan brought a new sparkle to the office of Activities. Mr. Sullivan, a friend as well as an advisor, will always be a special and respected man, and for this reason the Yearbook Staff is proud and honored to dedicate the El Viejo '78 to Mr. Tim Sullivan.

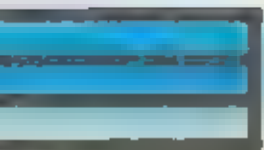

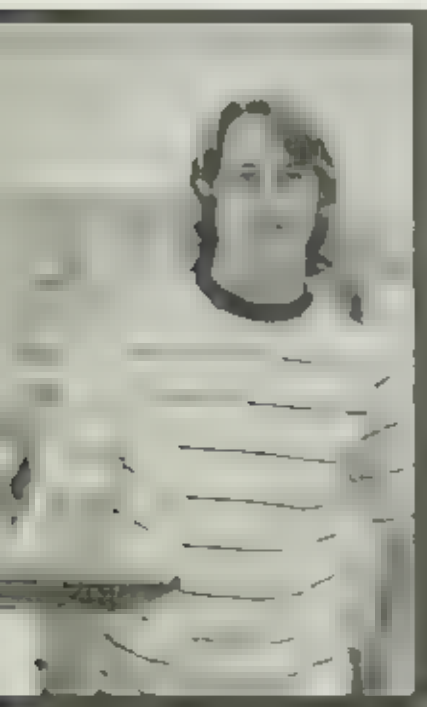

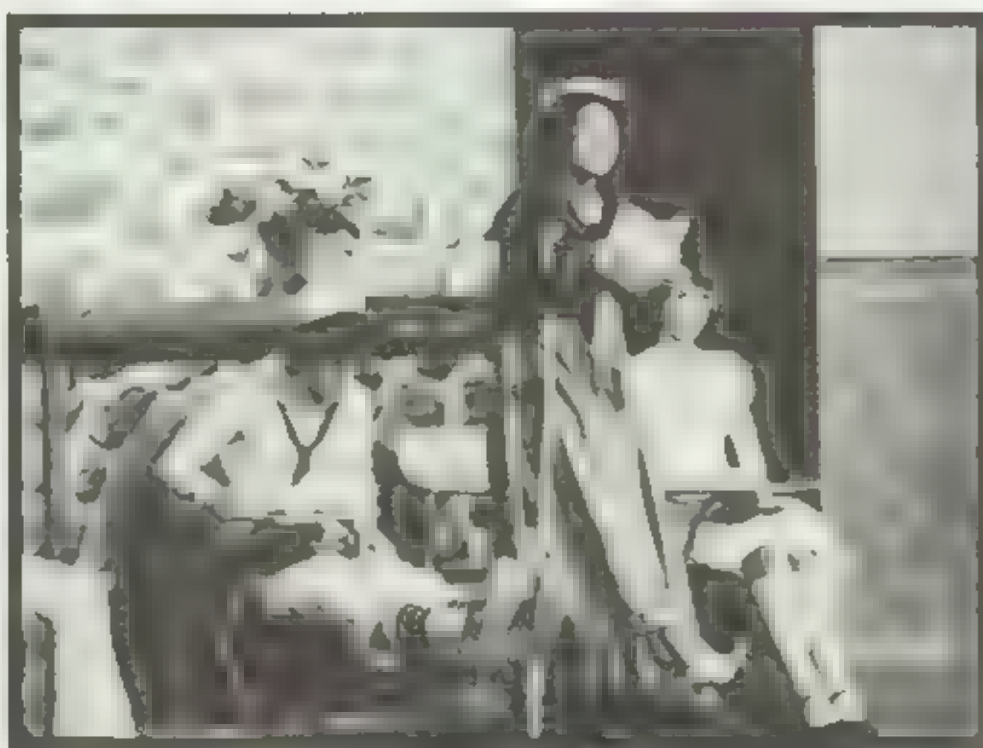

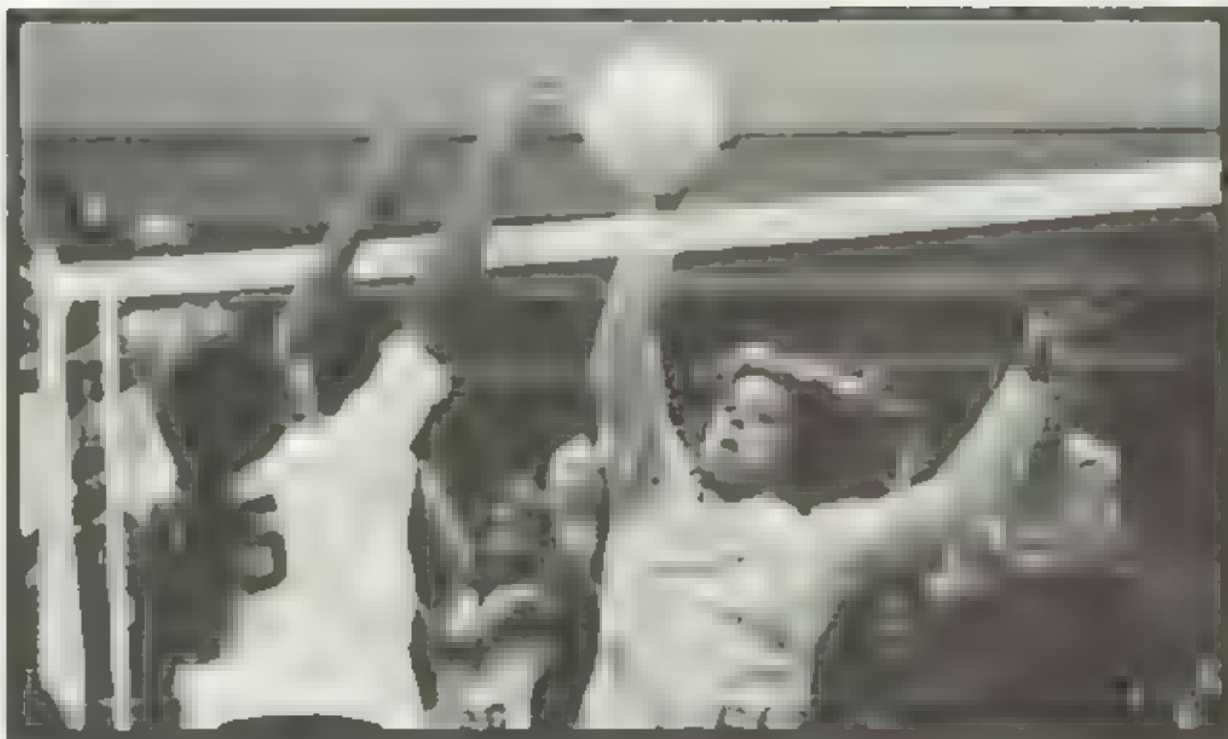

The theme of our yearbook is Directions. Most students do not really take a yearbook theme very seriously. Just a boring tradition to fill up the first pages of the yearbook. Our theme this year should mean something to every student in our high school. Everyone has a direction, or rather many directions. Some of these directions are demonstrated by the students on this page. Some are involved in athletics, some music, others going in academic directions. But no matter which one area or combination of areas they are heading towards, the fact is, they are heading in a direction. All of us are constantly moving forward, some faster than others. We must all have a direction, a place to go, a goal to strive for. As you progress through school and life, we hope you will always have a direction in which to travel, and hopefully it will bring you great happiness and prosperity.

# CONSTRUCTION OR ...

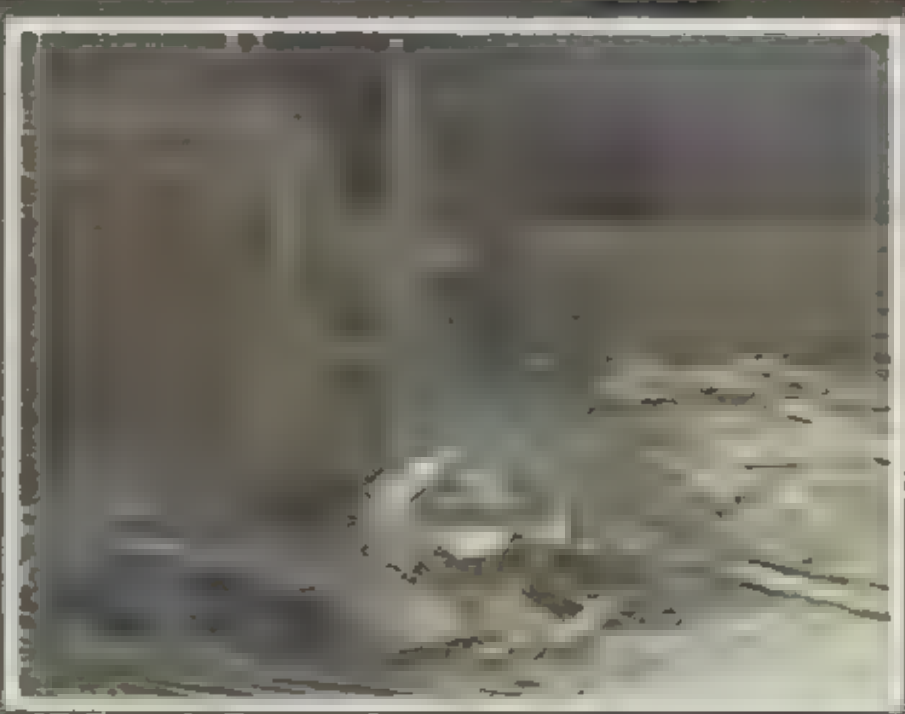

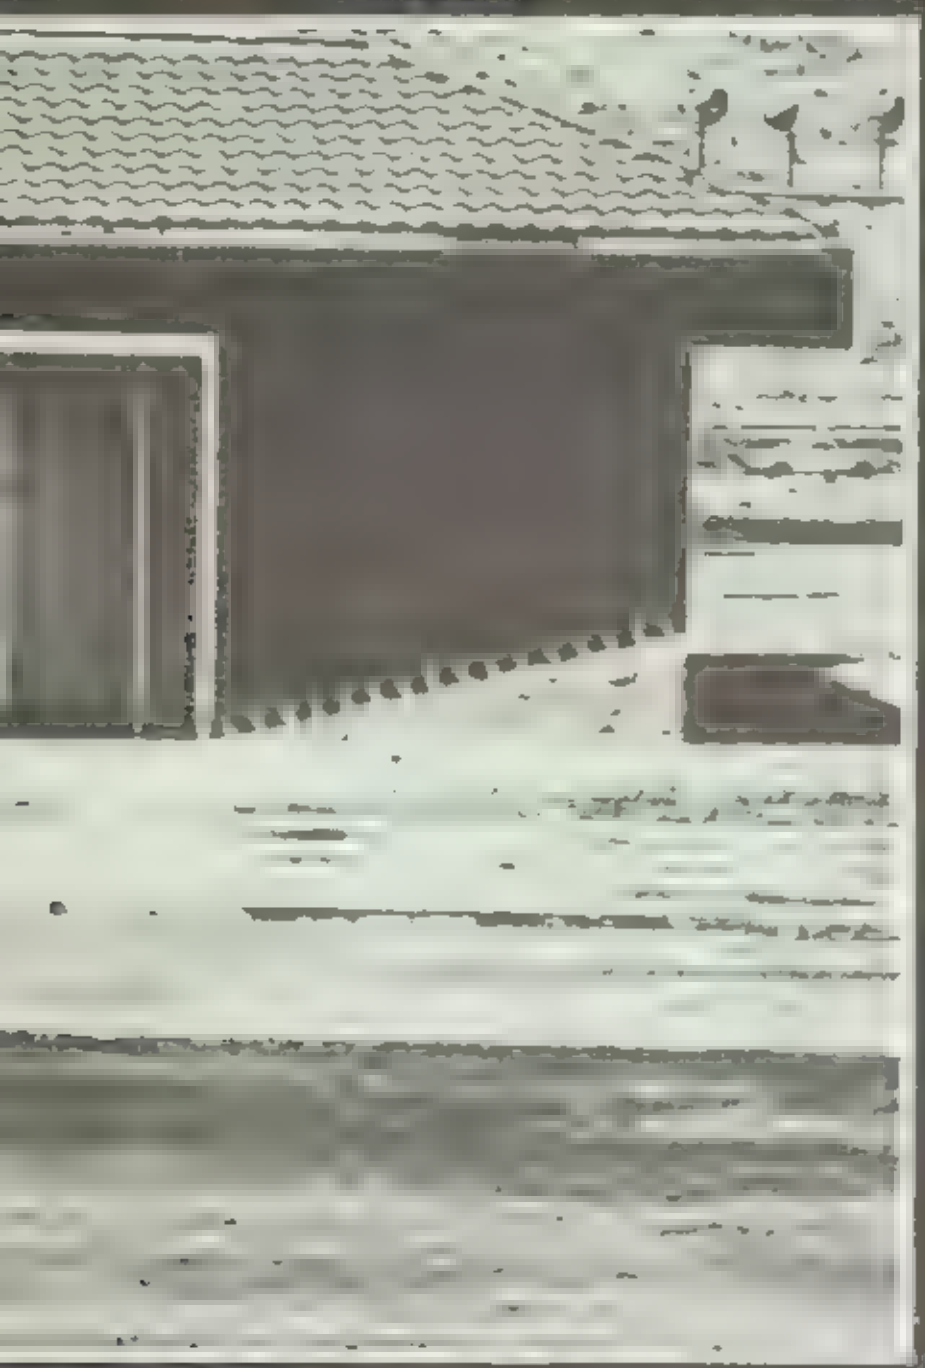

Since the inception of Mission Viejo High School, the Senior Lawn has been a beautiful asset to our school. The spacious grass area accented by wood benches and shade trees has always made for a serene and peaceful resting spot. But, for the students attending Mission this year, the scenery has been changed somewhat. Because of an addition onto the band room, part of the Senior Lawn was destroyed and the tranquil atmosphere was partially taken away.

1. The first part of the book is a collection of letters from the author to his friends and family. These letters are written in a simple, straightforward style, and they provide a glimpse into the author's life and thoughts. The letters are dated, and they cover a period of several years. The author discusses his work, his family, and his hopes for the future. The letters are written in a way that is both personal and professional, and they are a valuable resource for anyone interested in the author's life and work.

The drama department has done another fine job of entertaining this year. Under the direction of Mrs. Ann Vardanian, we were witness to some great performances, especially in the case of "Antigone." Ranked in the top eight schools of Orange County. The cast and Mrs. Vardanian were able to travel to Occidental College to perform with the best of Southern California. Other accomplishments for the year were "Blithe Spirit" and the ever-popular lunch box theater, while finishing the season with "Carousel." It was a year of considerable growth and achievement for Drama Workshop. Congratulations

## Sadie Hawkins '78

The traditional Sadie Hawkins dance was a foot-stomping success this year. Sponsored by the Drill Team, the hoedown was held in the gym on March 30. In keeping with the theme all were garbed in Lil' Abner style dress and hitched by good ol' Marryin' Sam. Many couples summed up their opinion of the dance with one word . . . WAHOO!

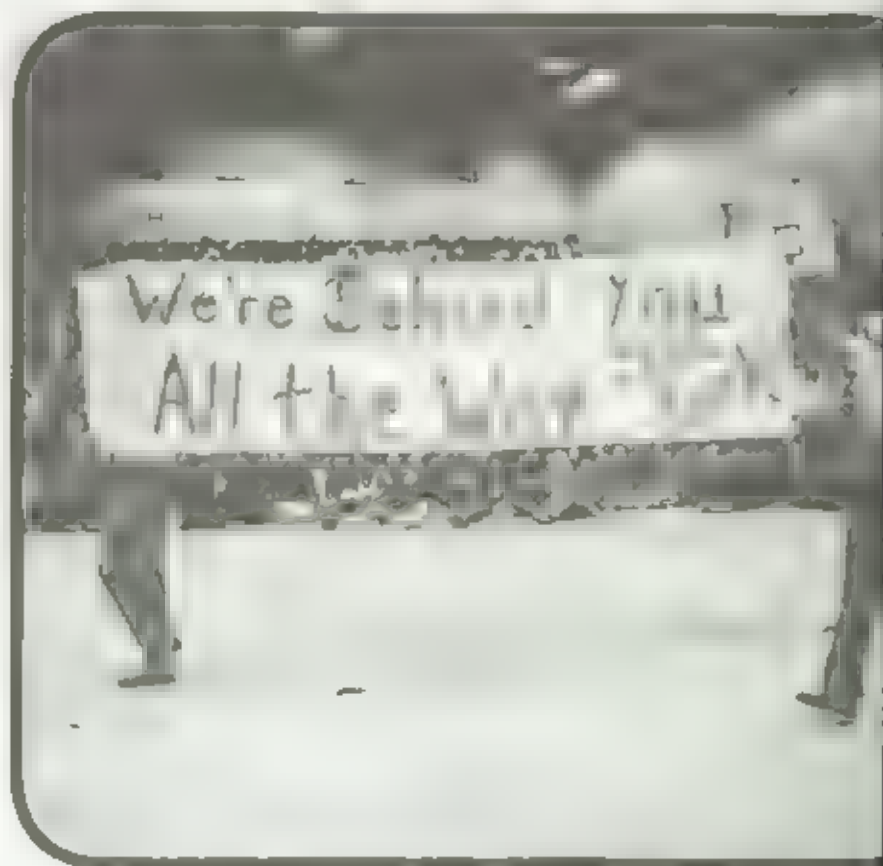

It was Friday, the last day of the week. You were wondering why all of your classes were ten minutes shorter. You were also wondering why there were two fourth periods and why all the cheerleaders were wearing their uniforms. You were especially wondering why the Senior President was wearing eight suits of clothing! Well, you were obviously inexperienced in Mission Viejo High School assembly-going. These were those fun filled events held in honor of the "Big Game" or even the little game, with entertaining ASB skits and other spectacles of athletic prowess. We'd like to thank our fearless Pep Commissioner and all of those people involved in the production of those great Friday mornings

This year's Junior Senior Prom Court were Seniors selected by the Junior Class Council for their extraordinary contributions to Mission Viejo High School. The King and Queen were chosen by popular vote. Unfortunately their identities were not known before the yearbook deadline. The Prom itself took place in April at Lion Country Safari, with "Will You Miss Me" written by Junior Diana Harrelson as the theme. Certainly it is impossible to recognize all who make important contributions to the school, as the Junior Class Council realized while struggling to make their decision. # Diablos Honor Grid Stars

For the first time in the history of Mission Viejo, the Diablos were able to capture the title of League Champions. The offense was lead by All-League quarterback Scott Spear. Runningback, Allen Parker, was able to pick up plenty of yardage behind blockers: Kevin McDonald, Barry Baker, Mike Brawly, and All-League guard John White. All County linebacker, Dan Charnitski, All League tackle Jerry Nelson and Mike Ochoa made it tough for opponents to get anywhere.

## Freshman Season Was an Almond Joy

The 1977 "Almond Football" team was very impressive this past season with young talented players on both offense and defense. Coach Almond led his team to a 6-3 overall record with 10 of those victories coming by shutouts. The immovable defense was spearheaded by defensive back Kevin Varni and linebacker Dana Johnson, who was also selected team most valuable player. The offense unit was led by player Rob McKenzie and fullback Jeff Ferguson, who were both instrumental in the Freshman offensive success.

The Diablo Waterpolo Team had another fine year as Coach Bonaty's players tied for third place in the perennially powerful South Coast League with a 4-3 league record. Led by seniors Mike Woods and Andy Kontrinas, the team scored some impressive wins in the Moore League Tournament and played tough against powers Monte Vista and University. The Frosh-Soph team also played well as they captured first place in league and should provide a strong nucleus for future teams.

The 1977 Cross Country Team showed few surprises as it once again was a force to be reckoned with in the South Coast League. Under new coach Glenn Dill, the Diablos ran through the league with a 6-1 record. Led by the top five combination of Mark LaBonte, Jeff Vandereems, Ken Osborne, Mike Shriver, and Matt Mann, the team gave impressive performances at the Costa Mesa Invitational and Orange County Championships. Seniors John Quist and Dan Mercado were also major contributors to the Diablo cause and Sophs. Rick Hays and Troy Sells show great promise for the future. Look out South Coast League!

Ready to challenge U.S.C.? Well, not quite! But the mention of Coach Bill Crow's Mission Track Team sent fear through the South Coast League as the Diablos once again proved themselves one of the best in the league and Orange County. At the time of this printing, the '78 Baseball season had not quite gotten under way. However, optimism seems to pervade every discussion concerning "The Team." Coached by Ron Drake, the Diablos are said to be strong in pitching (with Phil Caruso) and hitting (Jeff Newton, Greg Davis and Vito Hite). The local paper "Newspost," tags Mission as the team most likely to attain the league championship.

## J.V. Off to a Wet Start

Attempting to play baseball in the rain, the most appealing subject for baseball players. However, the rain is unusually dry, and the weather is usually dry baseball. The season started amidst puddles and overcast and darkened sky.

The weather was hampered, the J.V.'s yet, though. Led by Frank Spear, Brian Okazaki, Bob Cox, and Clark Decker, the team seems likely to follow in the variety of the team's first game.

# Fresh-Soph Display All-More Potential

In a year's Fresh Soph Baseball Team looking towards the league Championship and could very well achieve its goal. Although the defense is lacking, Mission's potent offense could carry them to the title. Led by the strong pitching of Bill Cooper and Preston Gracy, the Diablos will also feature the hitting skills of catcher Mark Gardner and outfielder Kory Moore. Coach Peters is confident of a Mission title.

## Junior Varsity ... an Even Season

Three-fourths of the way through their season, the Junior Varsity Team's record was 5-5. Considering the lack of playing experience, Coach Linda Schwartz is pleased with the team's performance, for eight of the twelve players are new. Captain Cristi Fransen did a fine job of leading the team. Coach Schwartz will have an experienced team next year with the new girls gaining playing time this year.

## Varsity ... C.I.F. Bound

Under new Varsity Coach Melody Parker and Captain Kim Bachelder, this year's Varsity Volleyball Team did exceptionally well. Their balanced attack and stable defense led them to a mid-season rating of sixth in C.I.F. Coming from a strong South Coast League, this was an impressive rating for Mission High. Coach Parker had an experienced team to work with this year. She will have to move up J.V. players next year as 5 of the 8 varsity players are graduating. All in all, a bright future for Coach Parker

## Tennis "Lobs" Into Action

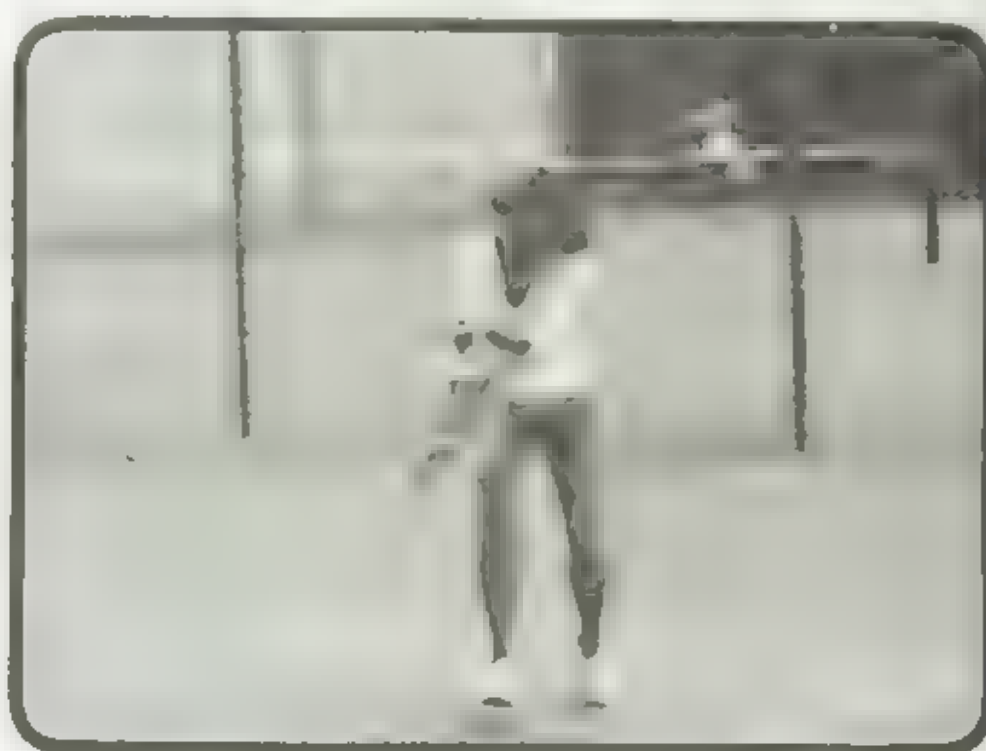

Although the Girls' Tennis Team got off to a slow start, the fine coaching of Mrs. Asaro and Miss Palmer pulled the team back into shape. With the aid of the top single players Colleen Mohan and Kim Winters, and much help from the two top double teams Ann Gensichen, Jenny Roth, Chris Thompson, and Jane DeVries, the team was able to get back into the race for the South Coast League Title

## The Grace...

Those of you who attended the dance workshop in January this year will agree it was very successful. This year it offered an entertaining variety of dancing styles. These included some "boogie" with the "Main Mann" and some serious ballet. As well as some more modern dancing skits including one patriotic tribute performed by Pam Gabor and Holly Hayes. The abstract finale fell in perfect harmony with the balance of the show. Ms. Hanes worked very hard with the dancers, helping them with steps and assisting in the choreographing. Both nights were a big success and we look forward to next year's workshop with enthusiasm.

## ... And the Endurance

Driven by Coach Overton and captains, Tami Darr and Angie Dineno, the Girls' Cross Country Team could often be seen running all over Mission Viejo. Their running was not in vain, for, in only its second year of existence, the team did great. Placing fourth in League this year, the team is looking to a bright future.

## Varsity's "Goals" Come True.

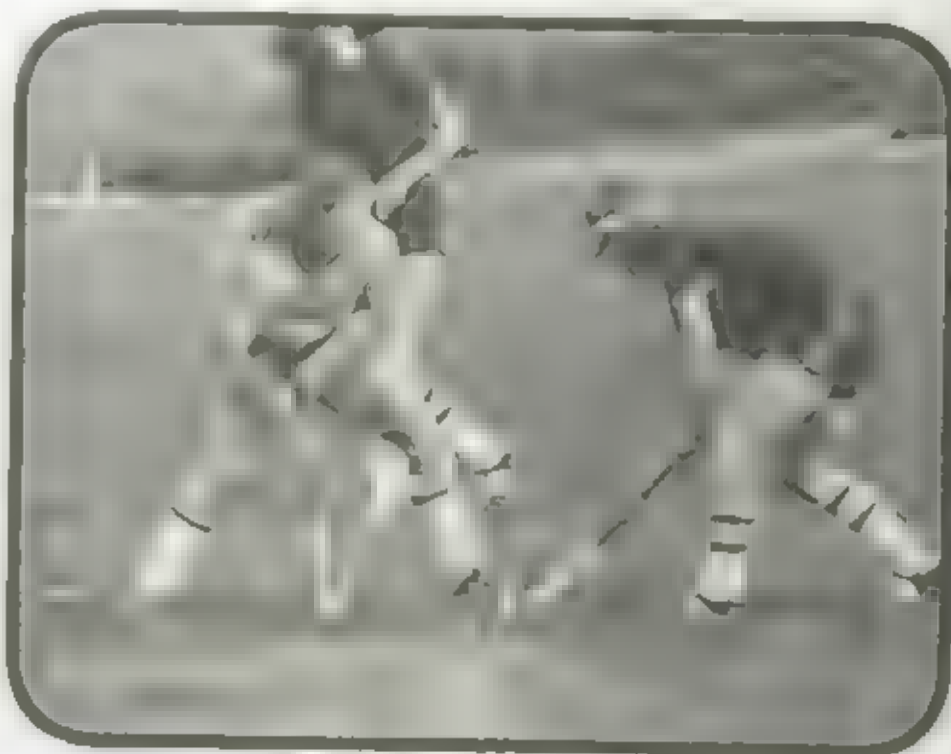

This year's Girls' Varsity Field Hockey Team was quite successful. Under the coaching of Ms. Most, C.I.F. was in sight by a half of a game. Cyndi Perez contributed a lot to the success of the team by making goals. Due to the rain, the first games were canceled, but team captain, Cyndi Mourer, and the rest of the team didn't let the slow start hold them back.

## Success for J.V.

This year's Junior Varsity Field Hockey turned in an impressive performance. With one game left in the season the J.V. team has an outstanding chance to win league! With Coach Workman's enthusiasm, the team's major characteristic consisted of hustle, and their hustle turned into wins. Varsity has something to look forward to, for the once inexperienced new players have gained valuable playing time.

## Varsity Rolls to Playoffs

This year's Girls' Varsity Basketball has once again shown their power. Winning the South Coast League with an impressive record of 21-1, the Varsity now moves on to C.I.F. playoffs. With Jeanne Beauprey averaging over 20 points a game, Mission is expected to go even farther than their last year advancement to the quarter-finals. Other outstanding players are Jean Hershberger, Kim Carroll and Lori Salmon.

Coach Tina Liskum's first year of coaching Mission's Girls' Gymnastics Team is promising to be a successful one. This year's top performers are Michelle Gibbs, Suzanne Birdsall, and Jill Gensichen. Though the girls are not far into their season the coach is confident that the girls are talented enough to go to league if not C.I.F.

## Girls' Track

Under the coaching of Ms. Jurgermeyer the Girls' 1978 Track and Field Team is on its way to C.I.F. Some of the outstanding runners are: Tami Darr in the two mile and mile, Lisa Gallin in the hurdles and the hundred yard dash, Marie Quinn in the 880 and the mile, and Robin Uecker in the 220 and the hundred yard dash. In the field events Debbie Atchison, and Paula Riggs in the shot put, and Sabrina Pendleton in the long jump are top contestants for the team. Ms. Jurgermeyer is confident that the girls will make a good showing at C.I.F.

## We Smash Shuttlecocks

Coach Asaro has bright outlooks for her 1978 Girls' Badminton Team. She feels with the leadership and outstanding playing of Donna Cate, number 1 singles, and number 1 doubles Jane de Vries and Lorraine Alrich, the team has a great chance of winning League. If they win League, then they should win C.I.F. Go get 'em Girls!

## Swimming to Another Title

The 1978 Girls' Swim Team is on their way to another National Championship. To show that our Girls' team is right up with the guys, the '76-'77 team was honored with the title of "Best High School Girls' Swim Team in the Nation!" According to Coach Most, this year's team should win League, C.I.F., and the National Title again. Way to go Girls!

Mission is honored with having seven All American swimmers. These girls are Dawn Rodighiero, Claudia Noakes, Jennifer Hooker, Nicole Kramer, Stephanie Porter, Michelle Zeramby, and Stephanie Hopper

Once again, you have come to the section in your Yearbook that we have dedicated to those who instruct us. Our teachers have demonstrated their kindness this year as they have in the past, and as we are sure they will continue to do in the future. So get ready for another fantastic presentation of our teachers!

# The Directors Behind the Scenes

## Principal's Message

The 1977 school year was filled with excitement, challenge, effort and achievement. The excitement of football crystalized our school spirit and gave us a winning attitude that prevailed for the year.

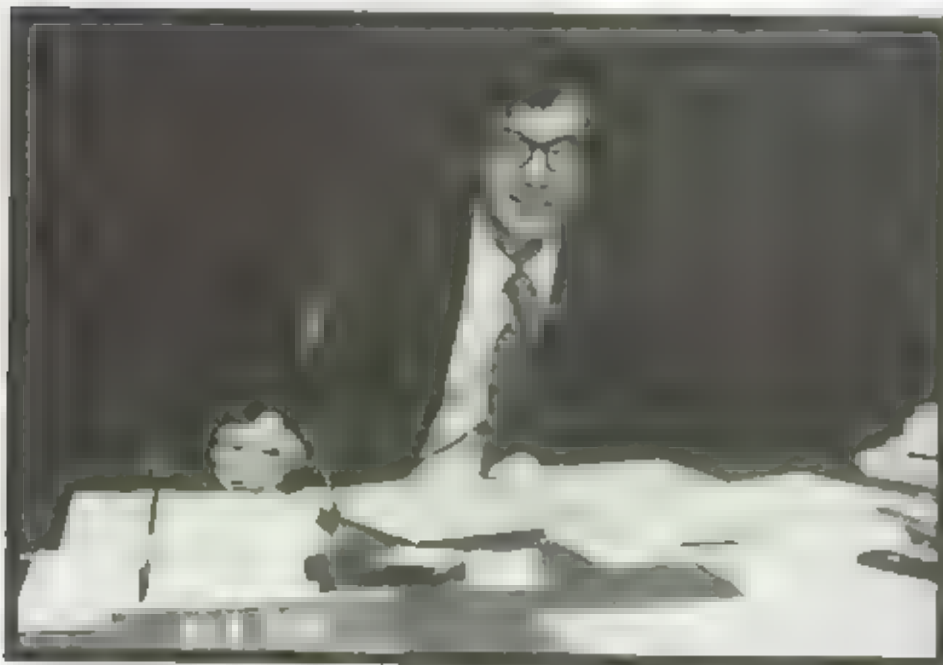

The ASB under the leadership of Wendy Pospichal, planned a year of activities that was filled with worthwhile fun. Each of you had the opportunity to participate in a variety of clubs, dances, and extra curricular programs. Our student body scores on nationally-normed tests continued to place us in the upper percentiles in reading and math. This was a reflection on the quality of our student body and our faculty.

Thank you for sharing this year with us. I wish you the best of luck always.

## Noblesse Oblige

Dr. Richard Welte, Superintendent

As Superintendent, I am honored to have been asked to contribute to your Yearbook. During your school years, you have experienced some very disillusioning and negative events, such as corruption and dishonesty by elected officials, from local County politicians to the White House. With Vietnam, you observed your Nation less than resolute and divided about conducting a military campaign in Southeast Asia. Vietnam made us painfully aware of the anguish which can come when an undefeated team suffers its first setback.

As Superintendent, I am truly concerned for you and for your future. I am concerned about the cynicism and disillusionment which seem to have infected many young people today, and as a result, have appeared to diminish the importance of the values and ideals which have contributed to our strength as a Nation and as a people.

My concern for you is not that you will have difficulty in competing in life, for your parents, living where they do, have provided you with an educational opportunity second to none. Your teachers and the facilities in which you have been attending classes are the finest that the teaching profession and the profession of architecture have to offer.

Be assured that God is not dead nor is idealism! It is more than euphemistic rhetoric to say that much of what is needed in our Land today is within your ability to provide. For you, individually and collectively, truly represent the best this Nation has to offer. The strength of any nation lies not with its military power, but with its people doing the simple and responsible acts of everyday living.

Because you are the noblesse, you have the oblige, which now you and only you can fulfill! I feel confident that you will succeed.

Richard Welte

Our Very Own Clerical Staff

School isn't all textbooks, teachers, lab experiments, and term papers. There's much going on behind the scenes that most of us aren't aware of. Mr. Daywalt, and the rest of the gang here at MVHS spend a great deal of time setting the stage for us, while on an even broader level, Dr. Welte and his staff organize the entire Saddleback Valley Unified School District.

In these two pages we'd like to send them out thanks for all of their hard work and devotion.

# The Guiding Lights

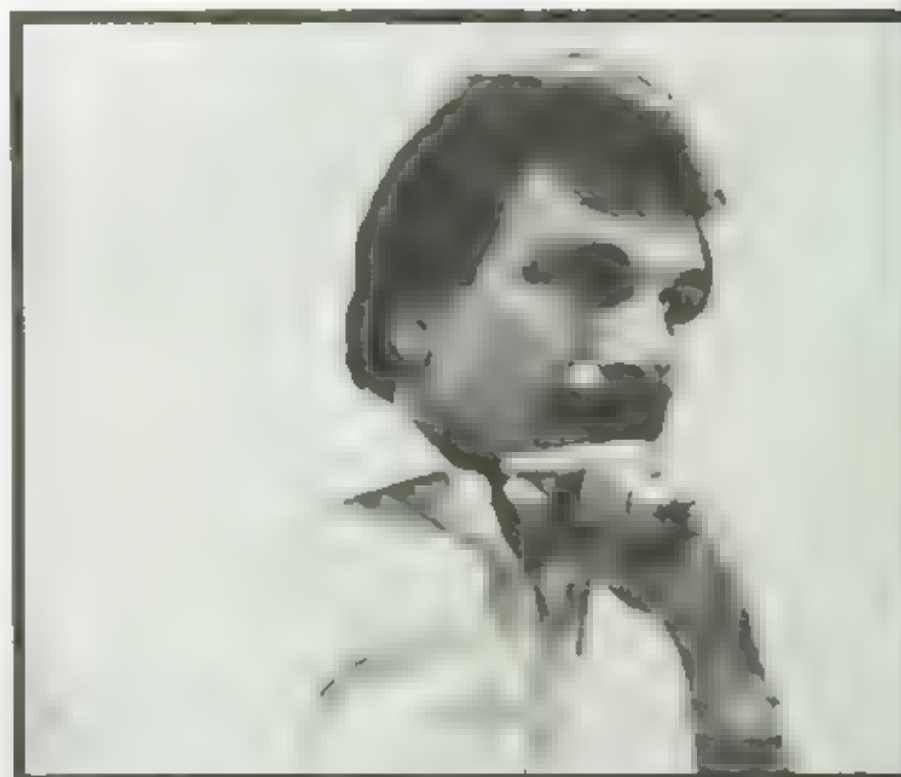

Before you contribute all the inspirations you had this year to your friends and teachers, please think twice and remember the people found on these two pages. Think of all the times when at least one of these people has helped and guided you. We of the El Viejo extend our gratitude to them in their dedication to our school and its students

The Cafeteria Staff

The cafeteria staff, the instructional aides, and the custodians are the people who do jobs that are necessary to keep this school running. These people deserve the recognition of the students, for without them our school would be missing much.

The Instructional Aides

The Custodians

Now we have come to the end of this year's academic section and we'd like to once more express our thanks to the whole staff of Mission Viejo High School for making this school year great.

# ASB Goes Bananas at the Zoo!

As the '77-78 school year draws to a close it may honestly be said that the year was one of accomplishment. The A S B Council conscientiously strived to provide the student body with the best activities and representation possible. I will leave Mission Viejo High School soon but will retain all of my special memories. Thank you for making it all possible.

Second Semester Junior/Senior CSF Members 1978

Genesis Staff worked hard this year to compile Mission's great literary magazine. Advisor Mr. Hagopian helped the staff coordinate and publish the poems and stories that Mission students submitted. Genesis members are as follows: **L to R, Row 1:** Todd McAndrew, Katrina Guaderama, Carole Wood. **Row 2:** Vanessa Gunther, Kevin Hunter. **Row 3:** Rob Hoopengartner, Laticia Tonso, Ladan DURING, Bob Sommers, Joe Cleland. **Row 4:** Karen Casey, Tammy Claytor, Kim Peavey, Rima Samaan, June Uchino, Sandi Kuhn. **Row 5:** Vance Miles, Robin Saterlee, Ruth Waltz, Deanna Bass, Tricia Fagan, Terry Martins

## Genesis and German Club

German Club Officers

Students interested in the German language and culture came together this year to form the **German Club**. President Joe Klein and Sponsor Mrs. Shelters organized the club. Some of the members went to Germany this year. They include — Beth Schafer, Kathy Cartwright, Sheila Dowe, Kay Dahle, Arlene Sanders, Kristin Wiedemann, and Joe Klein

## Sharing the World

The American Field Service is a club which tries to bring different cultures and countries closer together. This past year the club sponsored two foreign exchange students, Erik Juhl of Denmark and Magdalena Caulderon of Ecuador, who stayed in the homes of club members. The club, under the leadership of Miss Shelters, also partakes in many service oriented activities.

## Making World Decisions

Model United Nations flew to Europe this year to participate in a simulated version of a United Nations conference. High school groups from all around the world participated in this event, each representing a selected country and point of view. Although intended as an educational trip, the M U N group did its share of sightseeing and learning about other cultures. All in all, it was a trip that won't be forgotten by many of the members.

## Speech Knows Its Point

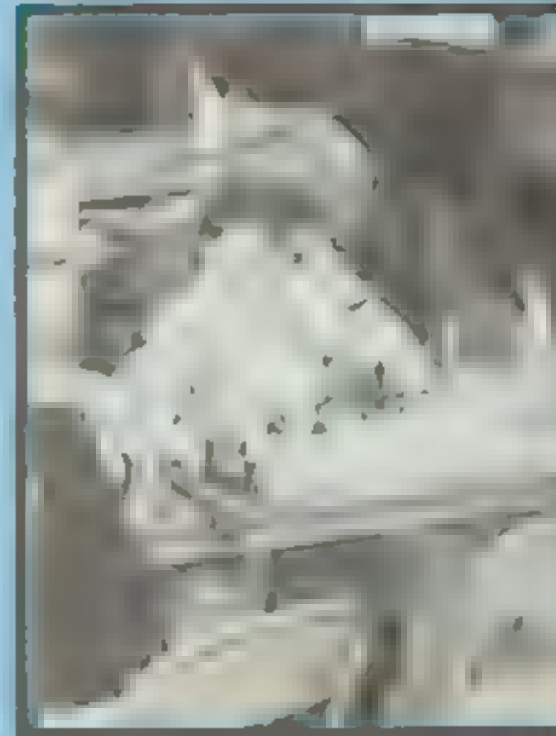

This year's Speech team enjoyed a successful season, topped in invitational tournaments at Loyola, Redlands, and Berkley. While competing in individual events such as Informative, Persuasive, Impromptu, and Humorous Speaking, and Dramatic Interpretation, the team also participated in group debate, arguing out the pros and cons of "Medical Care." Obviously, the Speech Team knows its subject.

## Go Bananas!!!

The Junior Varsity and Frosh Soph Cheerleaders are also deserving of credit in generating spirit in our school. These girls dedicate a lot of time and effort to entertaining the students at pep assemblies and cheering at all Frosh Soph athletic events. The girls are also required to attend cheerleading camp during the summer. Many of these girls eventually become members of the Varsity squad and their experience enables them to bring fresh, new routines with them.

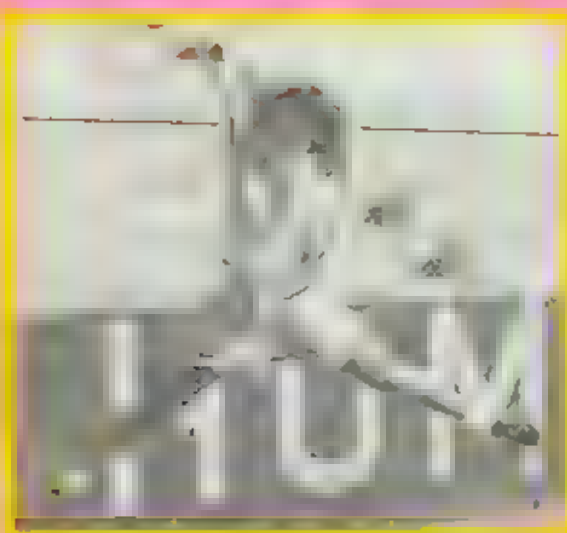

## The Spirit of '78 . . . M.V. Pep Club

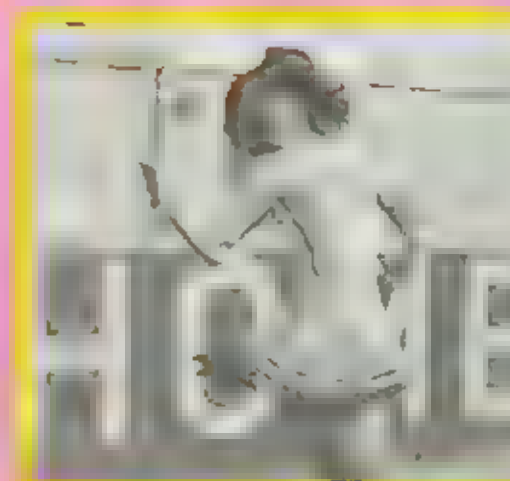

Excuse me, yes you, the Mission students. For 10,000 MVHS #1 buttons, can you tell me who puts up all those signs and posters around campus? The ones denouncing the El Toro Chargers and announcing the football games along with other exciting happenings? Bzzz. The Mission Viejo High School Pep Club is responsible. Under the direction of Crisli Fransen and Karen Lusk, Pep Club has kept our school spirited!

# Mission Belles Ring With Pride

Rehearsing five days a week during the summer, the Mission Belles Drill Team was in fine condition to face the fall marching season. Under the leadership of Lieutenants Marie Piscatelli and Terry Workman, the Mission Belles are the school's premier marching unit. The Drill Team per-

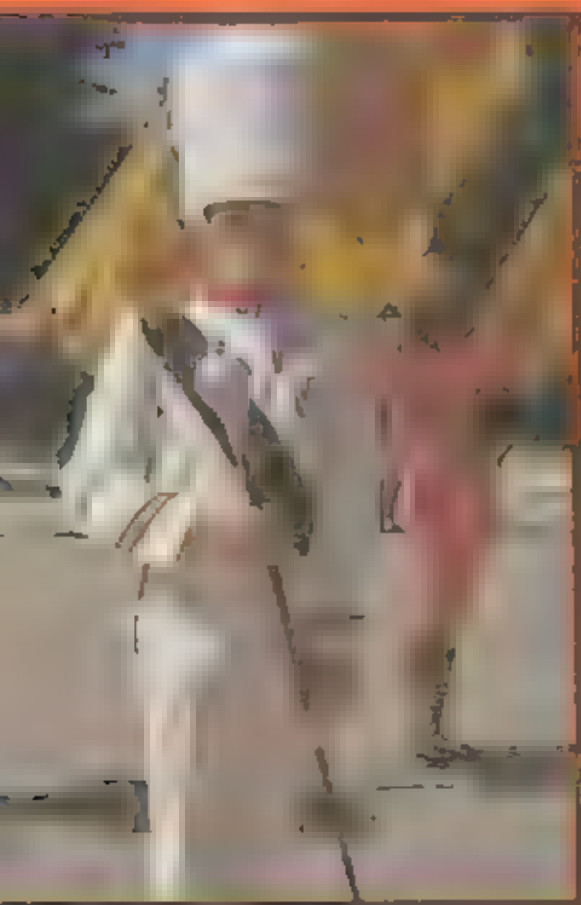

## "Voice of the Guns"

The Mission Viejo High School Diablo Marching Band under the direction of Mr. Mitchell Fennell and Mrs. Claire Horn has once again won a place among many of the best bands in California. Marching in class AA, the band attended parades such as the Colton Band Review, the Chino Band Review and the Santa Monica Band Review performing the competition march "Voice of the Guns." Aside from these competitive shows, the band entertained us at the half times during football season.

## The Las Diablas Let Their Banners Wave

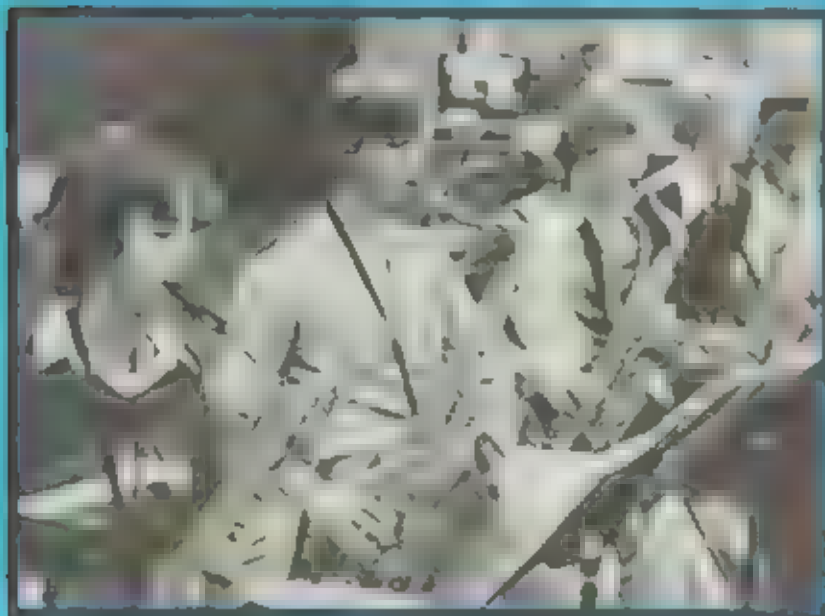

The Mission Viejo High School Las Diablas is a precision marching squad of girls who act as a color guard for the marching band. With the guidance of Mrs. Horn and the experience of captains Jamie McClellan and Laura Thomas, the Las Diablas added color and poise to the performances of the marching band. Their red and gold banners, flashy uniforms and booming muskets mark the arrival of our band. The Las Diablas also prepared half-time routines which were enjoyed by all spectators.

# Jazz Band Takes the      Away

One of the many classes the music department offers Mission students is Jazz Ensemble. Jazz Ensemble I is an experienced performing group and has nineteen members this year. The group performed at many of the annual jazz festivals throughout Orange County and held concerts at our school. The Jazz Ensemble is directed by Mitch Fennell who has greatly improved the performance level of the group.

Mr. Fennell brings them in

Orchestra has grown in every way! Over the past four years orchestra has consistently increased in members and in quality. This year, under the direction of Mr. Fennell, the string and wind players performed several concerts and attended festivals at Cypress and Saddleback Colleges. The group also participated in the annual musical which was "Carousel." The orchestra's successes of the 1977-78 school year have greatly contributed to our Performing Arts program.

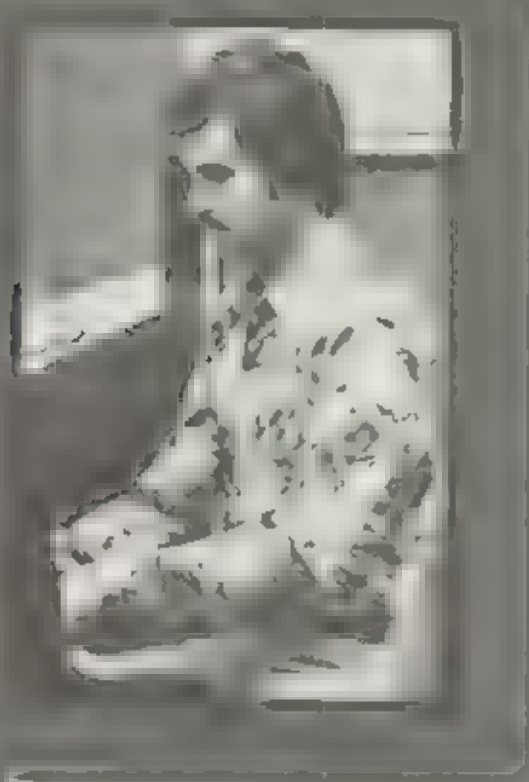

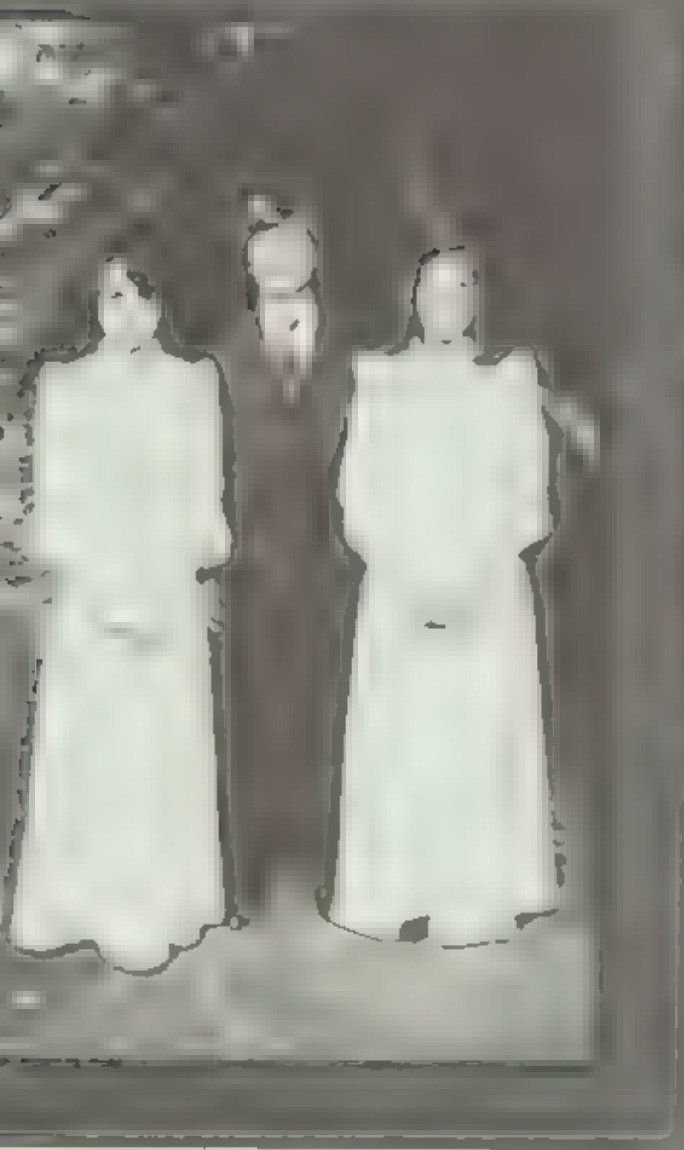

## A Caroling We Will Go!

The choirs this year were under the direction of Mr. Bowen. Thanks to his fine work and the fantastic enthusiasm of Mission's Concert Choir, Women's Chorus, and Chamber Choir, the Choral program has become one of the most outstanding organizations on campus. The groups attended quality festivals and performed concerts for the community throughout the year. For the great singers at Mission, 1977-78 has been a successful year!

## Thespians in the Act . . .

The Thespians have been active all year and many dramatic presentations. Our members in this nation wide organization have outstandingly performed at theatrical competitions and have provided Mission Viejo with Lunchbox Theater, evening plays and the annual musical which was "Carouse". The Thespian organization allows our dramatic talent to perform and share their abilities.

## Sail Club

Sail Club gives Mission's sailors a chance to develop their nautical abilities. This year the Sail Club had a large membership and has become one of the more popular clubs on campus.

Members are L to R, Top: Advisor Terry Trombador, Ray Dufresne, Brian Schraff, Craig Dugan, Brian Scholfield, Andy Lewis, Julie Engle, Melissa Heckman, Des Watkins. Bottom: Melke Sturrock, Pat Dreis, Joe McGowen, Kevin Smet, Shannon Scally, Maily Mullen, Brian Presley, Tom Moss, Shannon Forrest, Andrea Losseau.

## Ski Club

Ski Club provides Mission students with group rate ski trips. This year the club skied the slopes during Christmas vacation at Park City, Utah. Mr. Buskirk is the advisor and accompanied the group on their trip. The Ski Club is another outdoor organization Mission kids can enjoy.

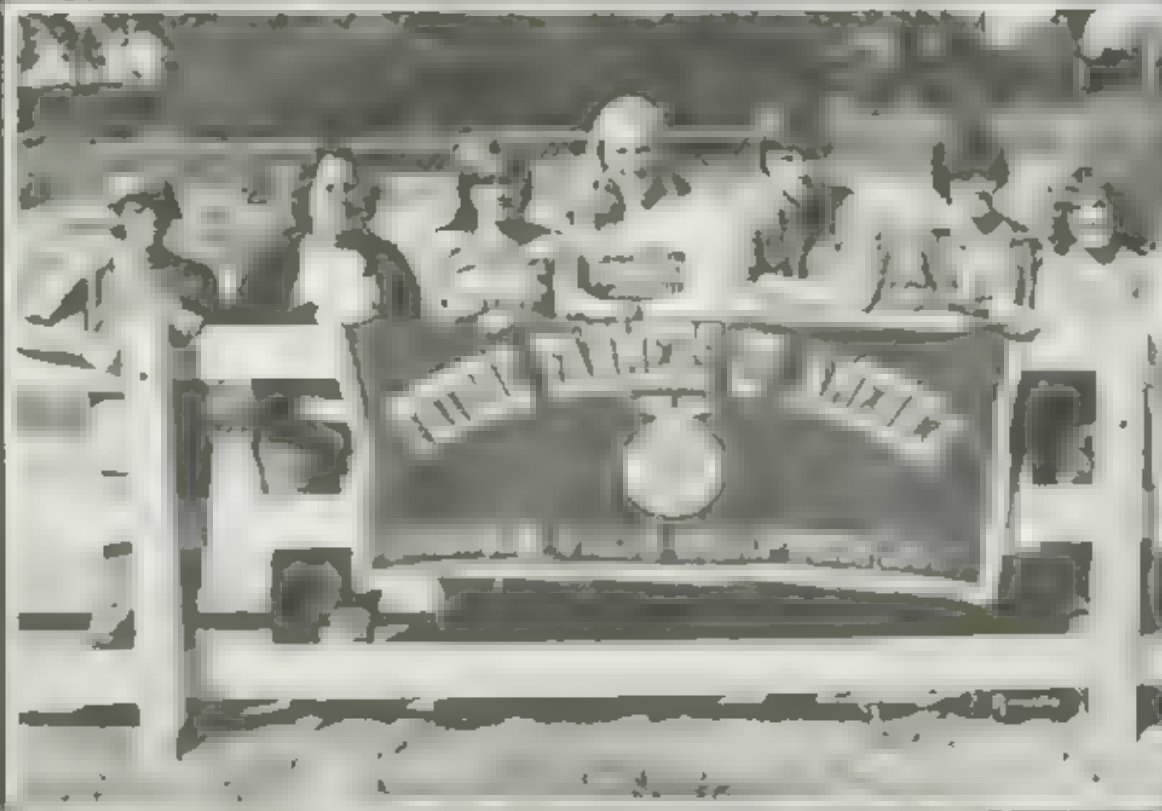

Shoveling dirt is important too!

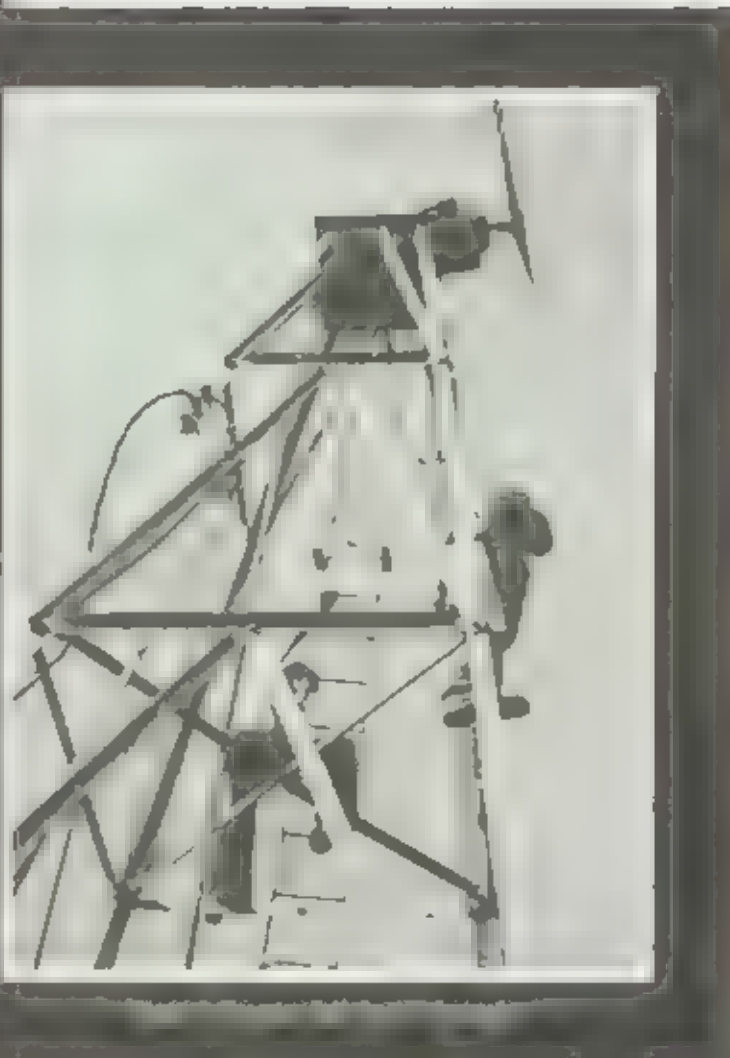

## Fruits of Their Labor

The Future Farmers of America Club is open to all students interested in agriculture. Led by Mr. Mortensen and Mr. Troftgruben, the club teaches new skills in the raising of both plants and animals. Sheep, steers, chickens and rabbits are numerous on the farm as are various crops. The club also enters animals in competitions such as the Orange County Fair and has been awarded honors for its prize-winning entries. Keep up the good work, FFA

## Service Is the Key

Key Club boys kept busy serving the community this year. One highlight from their activities was the bike-a-thon that they sponsored for the March of Dimes. President Brad Schmidt led the club with the assistance of advisor Mr. Hickman and Kiwanis Representative John O'neil.

# Keywanettes Unlock Community Involvement

The Keywanettes organization that raised money and actively served our community throughout the school year. Each girl adopted a "grand parent" to visit at Beverly Manor. In addition, they sold caramels on campus and helped with the bikeathon. President Linda Yetter and Advisor Mrs. Danzinger worked together arranging all of the Keywanettes' activities.

These girls have helped Mission to gain recognition for community service.

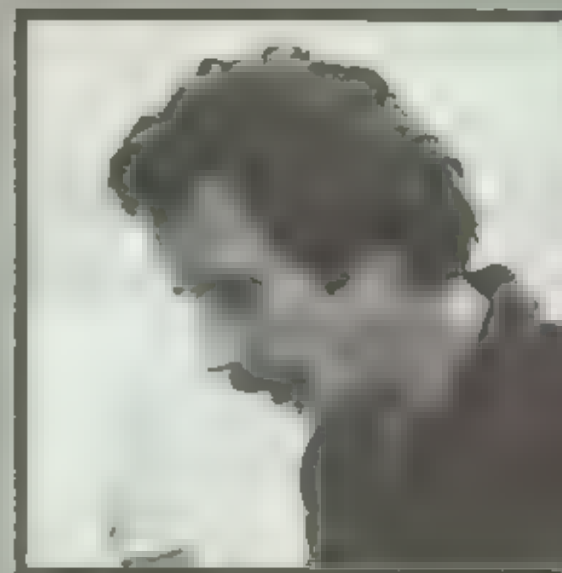

# Building Upon the Rock

The New Life Club gives Christian students a chance to meet and discuss their problems and experiences with their advisors and each other. Construction Tech is a two period a day class where advisor Mr. Westover oversees the building of a class project each year. This year's project was an agriculture barn.

## Drafting Shows Its Skills

This year's Engineering Drafting club turned Wednesday night from a bad middle-of-the-week day into a fun time to get together and work on their drafting projects. Between munching on doughnuts, Advisor Mr. Mitchell strengthened the students' skills and techniques. They all had a great time this year and turned in some very good and interesting pieces of work.

Photographers: Tom Evans, Andy Kontos, and Mary Jane Ewton

El Viejo Yearbook Staff 1977-78 frantically worked all year to make this yearbook possible. Together we experienced tensions, frustrations, achievements, satisfactions, and good times to bring this year's annual together. Each section contributed hours of dedication to try and create a book of special memories for each student at Mission Viejo High in the 1977-78 school year. We hope you enjoy our work!

Remember Victory Hill during 5th period?

# SENIORITIS

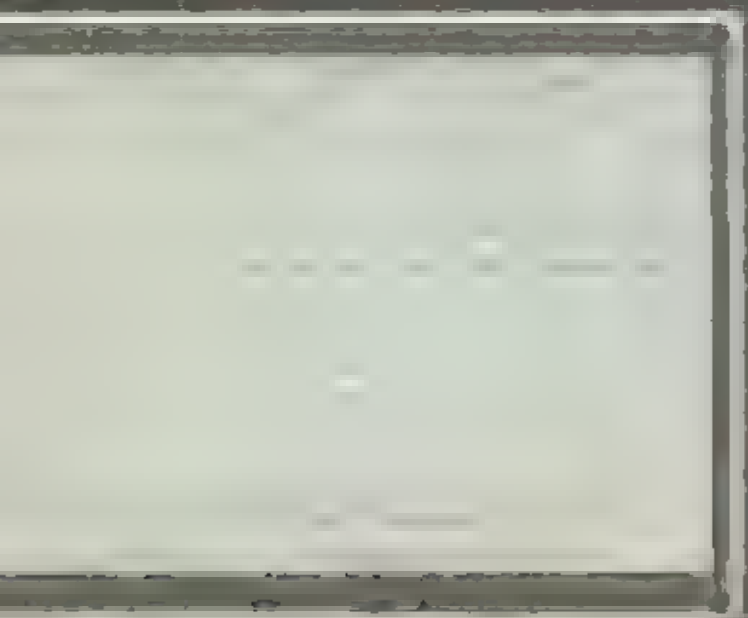

Reaches

Epidemic

Proportions

Remember Victory Hill during lunch?

Life's rough during second semester

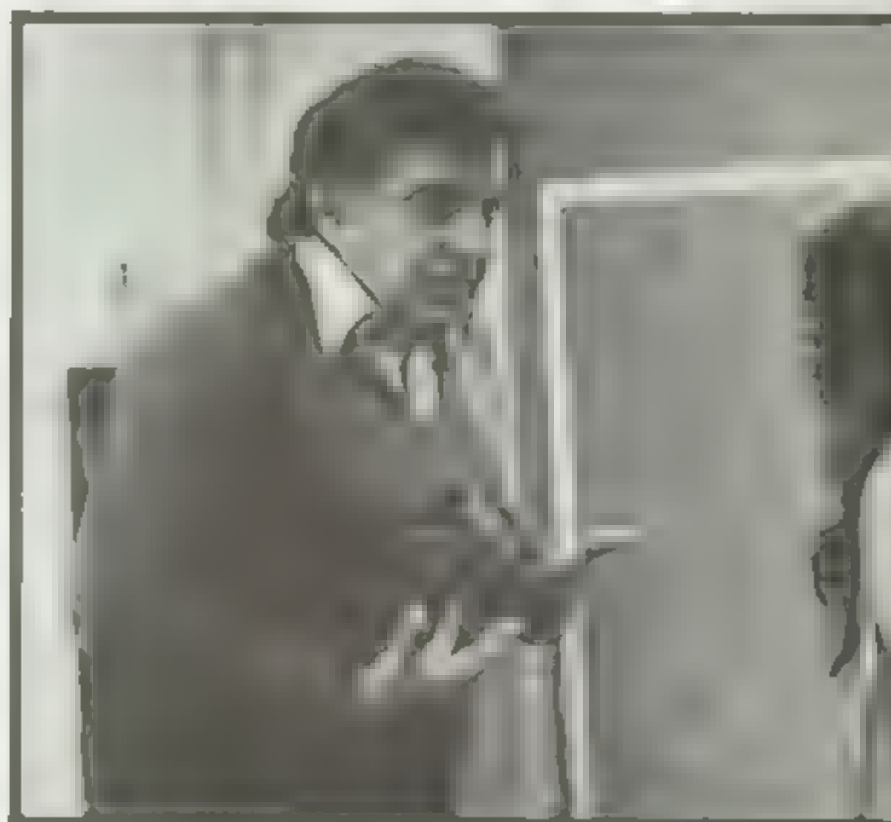

It is a fact that the senioritis epidemic has reached epidemic proportions. The disease is characterized by a lack of interest in school, a general feeling of apathy, and a complete disregard for the future. The symptoms are often accompanied by a loss of motivation and a general feeling of hopelessness. The disease is most common among students in the final year of high school, and it is often the result of a combination of factors, including stress, fatigue, and a lack of direction.

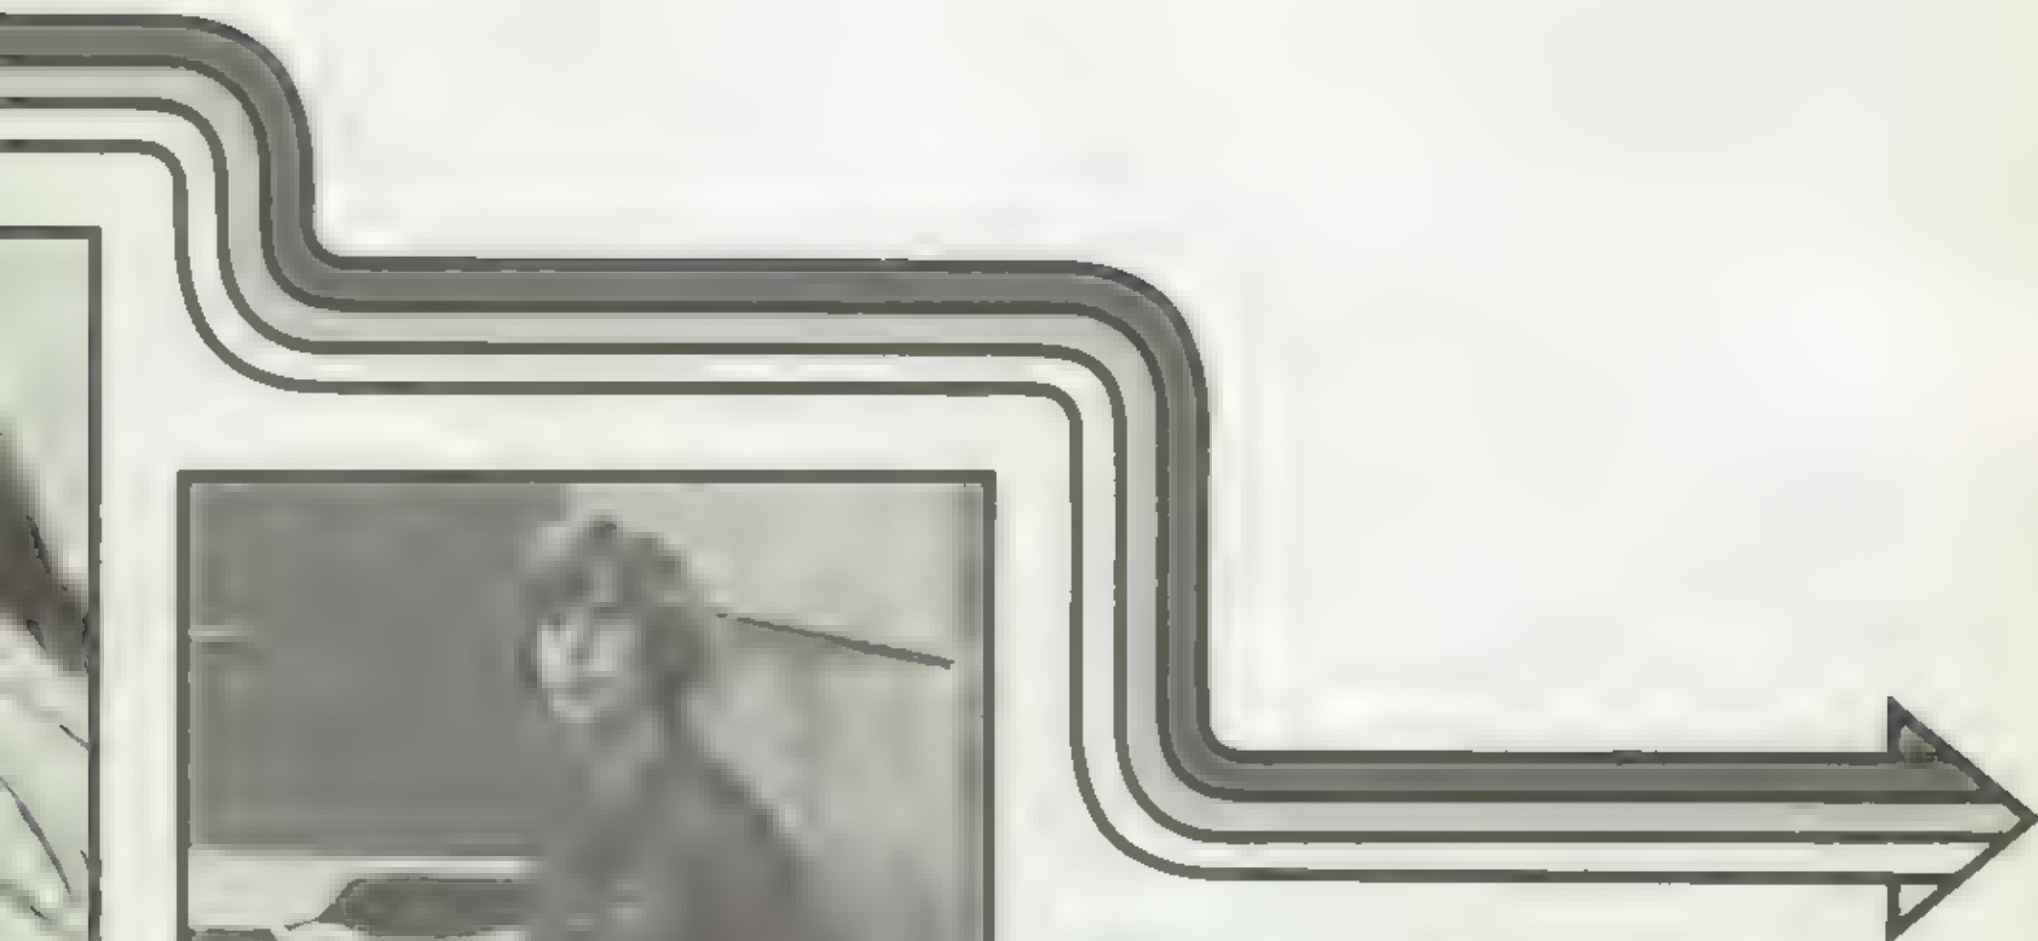

It is to be discovered to aid the stricken students, although 3 day weekends and all-night parties seem to bring temporary relief. Many veterans of the disease seem to be counting the seconds until Graduation, believing that the little piece of tassel will bring the end to all the hassle.

Possibly the solution has been found.

## EDITOR'S NOTE

At this time I would like to thank my coworkers for a year of hard work, support and dedication. I have enjoyed working during the past year at the newspaper, compressing within the past year's annual experience, that I have enjoyed teamwork and a year of hard work with snags and unique of a time. The pictures and words are so many, they will never be able to capture a minute of your experiences from this past year. However, these special memories will never be forgotten, and you have my to thank for a year of hard work and the big day is back to the again to the

Figure 1 shows a 2D hexagonal lattice of atoms. A central atom is labeled 'A'. To its right is an atom labeled 'B'. Above 'A' is an atom labeled 'C', and below 'A' is an atom labeled 'D'. To the left of 'A' is an atom labeled 'E'. To the right of 'B' is an atom labeled 'F'. The lattice is bounded by a dashed line. The top boundary is labeled 'y = 0'. The bottom boundary is labeled 'y = L'. The left boundary is labeled 'x = 0'. The right boundary is labeled 'x = L'. The lattice is divided into two regions by a vertical dashed line at x = L/2. The left region is labeled 'x < L/2' and the right region is labeled 'x > L/2'. The lattice is also divided into two regions by a horizontal dashed line at y = L/2. The top region is labeled 'y < L/2' and the bottom region is labeled 'y > L/2'.

WOW

Shit Sue!

What's ya got cookin' on  
that Barbeque? This summers  
gonna be it. The one we've all been  
waiting for! The best is yet to come, I'm  
glad we're gonna be here together. Don't  
worry... we'll get to San Diego yet! Remember  
Canada Road... Oh well! We're gonna have  
to check out that "YAT" this summer when the  
cleaners gets "too hot to handle"!

... but why... okay!!  
Next year I'm gonna nominate you for  
"LIFE OF THE PARTY" in the 1979 yearbook. You really  
love made this past year fun. You're gonna have  
to maintain with the marshmallows next time  
you at Regional!

Sue. Remember when you & me went to Pico  
that day and you have a Friend" came on the radio. Well  
I give that song to you because I (for me) will  
always be there if ever you need a friend, just call  
my name and I'll be there. Sweet Sue you are  
and don't ever change... The world needs you!!  
Love  
Denise

STILL HAVE ASK A

AIR... etc  
adult content  
the show  
at 2 PM!

P.S. Remember:  
You're WHOA and  
Dim ~~WOW~~ WOW.

I'm really  
 glad to know you  
 that you will  
 support our person  
 but your laugh  
 that you laugh  
 about original  
 love of band  
 at good luck  
 in all  
 love ya  
 Sue

Sue  
 I read once  
 that you will know  
 a true friend better in  
 the first few minutes in  
 meet them than you will know  
 your acquaintances in a life time  
 so although in short time I feel only  
 known, you a person I have only  
 like I've known you never saw each  
 and even if we never saw each  
 other again I feel like I can  
 say I know you well  
 Love, Bret

Sue,  
 I'll never forget the great  
 times we've had up at Regional  
 our crazy football games, our trips to  
 7-11 and all the other random times  
 I hope you & Carmy do good this  
 summer. Good luck in everything  
 and have a great one year.  
 Bye,  
 Love, Terri  
 Baldwin

SUE,  
 WHY DO I ALWAYS  
 MISS YOUR PARTIES? THE  
 ONLY ONE I WENT TO  
 HAD TEN MORE AT IT.  
 (BUT I HAD A GOOD TIME)  
 HOPE YOU HAVE SOME  
 MORE, THIS TIME I WONT  
 MISS THEM  
 LOVE SCOTT

"your hair was so long" but our summer  
 shampoo was so good for it. I missed you  
 but our summer was so good for it.  
 your hair was so long but our summer  
 shampoo was so good for it. I missed you  
 but our summer was so good for it.  
 your hair was so long but our summer

You're party  
have made the  
school year a lot  
easier to handle.  
I'm sure that the summer  
will be a lot more fun too.  
See you at the party.  
Larry D.

# HEY SUE #  
How's things. I'm so  
glad I met you this  
year. We've really had  
some good times laughing  
together at regional park  
if you know what I mean.  
I'll be seeing you a lot this  
summer so I'm going to leave  
some space for other people.

P.S. SEE YA  
TALAIRNT Bob Sommers

Sue, it's been great knowing you, even though  
I've only known you a short time. I hope to see  
you around this summer, and maybe you can  
have another party. The last one was great!

Sue,  
You're a lot of fun to be  
around and I hope I'll get  
to see you over the summer.  
I hope you stay as radical  
as you seem to be. Hope we'll  
have a class together next year.  
See ya next year,  
Love,  
Will Graves

Sue,  
You are one of  
the few people I like  
and have a sense of humor  
in are English Class. Hope to see you next year.  
Keep your sense of humor.  
Let me come to one of those parties I've  
heard about. The Higgins "69"
